Fall

With the opening of school, comes a mixture of emotions.

Ushered in an

Sadness that summer is over . . . Happiness that we are back with friends - old and new.

Soon we are back in the old routine . . . studying, playing, and enjoying school life -

-other year... Confusion

..Making New acquaintances... Meeting old

Each fall a number of new students come into our midst - Wanda, Judy, Ann and Wayne are chatting happily with Marsha, Judy, Sharon and Connie.

friends...in classes... Labs...and at Parties...

Many happy times are had during the year - especially our informal dances in the Library. Lynwood, Donald, Ronald, Tony and Enoch are enjoying this dance with Nancy, Sue, Marsha, Betty and Barbara.

Winters Chill found a rebirth in the

Snowballing is loads of fun if you are not on the receiving end - so thinks Billy, Brenda, Wayne, Dot, and Carson.

Things were buzzing around school during the election on November 8th. Members of the American Government class conducted the election. Leon, Nancy, and Betty acted as Judges in this precinct, while Leon B., Lynwood, and Winston are waiting their turn to cast their vote.

A renewed emphasis on learning...

ever present spirit at Madison Heights

Occasionally early morning will find some students deeply engrossed in study-while Kirk, Kelly, and Carroll are reading the "News of the Week", Lois is reviewing her shorthand lesson with Joyce and June.

At other times we find students taking time out from the burden of the day to relax and enjoy each others company.

Occasionally...We Settled Down To Study....
But Not For Long...

...there were always games...

During recess some of the boys on the basketball team get in a few extra shots.

Mr. Layne, physical education teacher, is showing Barbara Harvey and David Wright the new sweaters he has ordered for the students.

Our Seniors, along with others from all over the state are enjoying the football game in Charlottesville between the University and V.M.I.

Classes...Labs...To Take Up

..Meetings...Friends...

Chemistry lab is a busy place when Sue Hill, Tony Anthony, Barbara Harvey, Dot Hill, Ann Riley, and Lynwood Tyree get started on experiments. Mr. Ramsey is quite interested in the results.

While Judi, Gloria, Carolyn, Gaynell, and Wanda are busy typing, Lois entertains Mrs. Utley.

Bonnie, Judi, Brenda, Wanda, and Elsie are busy sewing letters on their new sweaters so they will be ready for the first basketball game.

-Our time instead....

Spring ..

Spring and cleaning are almost synonymous - During our annual May Day, Kirk is busy shining up the windows.

Spring also means trips - Several interesting trips were taken during the year - Washington, Williamsburg, Lexington and Charlottesville.

revived extra curricular activities... And

Social events!!

Each year it is customary for the Latin Club to hold a Roman Banquet. According to custom, slaves have to serve at the tables - Gaynelle Hunter is busily serving her mistress Nancy Johnson while Dot and Sue Hill look on.

The Junior-Senior Banquet is the one social event of the year that everyone thoroughly enjoys.

...While some prepared for graduation...

There was plenty of excitement among the Seniors the day Miss Mac measured for caps and gowns - with Marsha's help, this job was done in a very short while.

Madison Heights seniors begin to recall games...

Following the Christmas pageant, presented by members of the Senior Class, Kirk, F. M., Miss Mac, Leon, Kelley, and June are enjoying refreshments served at the Senior Party.

When all scores were tallied much to the delight of the Sophomores, their class won the May Day trophy for athletic events which Mrs. Powell is accepting from Mr. Holt on their behalf.

For the first time this fall many of our students participated in a soccer game. It was thrilling to watch our team play.

..Classes...parties...exams ...Over-cuts...

...the Friendly atmosphere

...they will always remember

Fall, winter, spring....

We dedicate....

Because he strives to present to the student body, by his teachings and attitude, characteristics of better business leaders, we, the Signet Staff of 1961, dedicate this edition to Mr. John Seal.

Mr. Holt, Mr. Briggs, and Mr. Seal are having a friendly little chat just before assembly.

Mr. Seal, in one of his serious moments, is making out his plans for the following weeks.

Foreword

An extra Fall, Winter, and Spring has been added to the education of the Class of 1961 making it unique in that this is the first class at M.H.H.S. to complete the five-year program.

This means to many, one more year of fun and frolic. To others, it means more and greater opportunities to reach their goals after high school.

Fall, with its adjustments to new classes and teachers, Winter, with its studies and extra-curricula activities, Spring, with its satisfaction of a full and successful year, leaves memories dear to each of us.

In the years to come, may this issue of the Signet help you recall many of the pleasant and worthwhile activities participated in during the past Fall, Winter, and Spring.

Tyler Fulcher, Superintendent of Amherst County Schools.

School Board

In either Fall, Winter or Spring, the Superintendent and the School Board are interested in the welfare of the students of Amherst County.

Mr. Tyler Fulcher, Mr. Herbert Camden, Mrs. Bess Shrader, Chairman, Mr. Jack Thomas, Mr. Calvin Irvin, and Mr. Preston Thornton.

Mr. Clark Eversole

Our Principal

The faculty and entire student body depend upon our principal for guidance and for directing the course of our school. This is not any easy task, but with patience and skill Mr. Eversole performs his duties effectively and well.

Honors

BOY'S AND GIRL'S STATE

Joyce Lee, Nancy Johnson and F. M. Hunter were chosen to represent our school at the Boy's and Girl's State held at V.P.I. for the boys and Radford for the girls last July.

S. A. R. AWARD

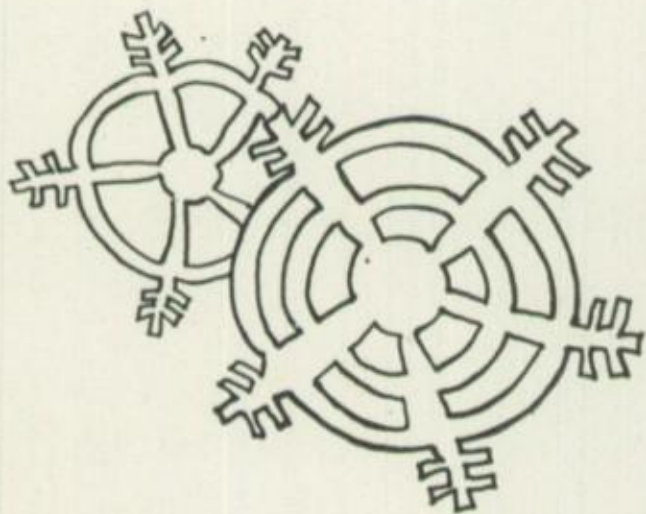

Lynwood Tyree was chosen by the Senior Class and high school faculty as the Good Citizen of the year. This award is given each year by the Sons of the American Revolution to an outstanding Senior boy.

BETTY CROCKER AWARD

Mrs. Higgins congratulates Lois Sigmon, winner of the Betty Crocker award, as she presents her with the pin which she received for the outstanding Senior girl.

Each class, from the Eighth graders to the Seniors, has its own program and activities, but each is always willing to help the other and often loses its individualism and becomes one group instead of five.

Senior Officers

At last we have reached our goal-becoming dignified Seniors. Throughout the years we have all looked forward to this moment.

We have enjoyed the experiences of school, especially this year- Who could forget our Valentine Dance, Senior Play and Senior Trip to New York-?

During American Education Week, Mrs. Marks had several visitors; among them are Mrs. Frank Lang, Mrs. Woody, and Mrs. C. P. Lang. Dennis is interested in other things.

Lyn, Julie, Dennis, and Tim and Mrs. Marks are busy cutting and coloring poinsettias to be used in decorating their boards.

Christmas is a busy time for all the grades. Mrs. Tyler and some of the students are busy making Christmas decorations of plaster and pine cones.

Plenty of activity is going on in Mrs. Tyler's room today during activity period.

Rodney, Wallace, and Stanley are enjoying helping Mrs. Watts put up a Christmas scene on their board.

Many of Mrs. Watt's girls play on the sliding board during their play period, but they will always stop long enough to have their picture taken.

Besides planning and helping prepare our lunch each day, Mrs. Garbee is always on hand to supply us with pencils and paper.

It would be hard to get along without Mrs. Cooper, Mrs. Rogers, and Mrs. Nuchols.

Sweetheart February

KING KELLY DEAN AND QUEEN JOYCE LEE

Kelly Dean and Joyce Lee, both Seniors, were chosen to reign over our Sweetheart Dance as King and Queen. This dance has become a "must" with us and there is always interest and excitement over who is elected. Competition runs high before the election is over.

Kelly Dean, King; Joyce Lee, Queen; Harold McFaden, Prince; and Esther Ayers, Princess.

Dance

10, 1961

Mr. Eversole, our principal, is crowning the "Queen", Joyce Lee. The "King", Prince and Princess are awaiting their turn.

Gaynell Hunter and John Bullington, one of our attractive couples present.

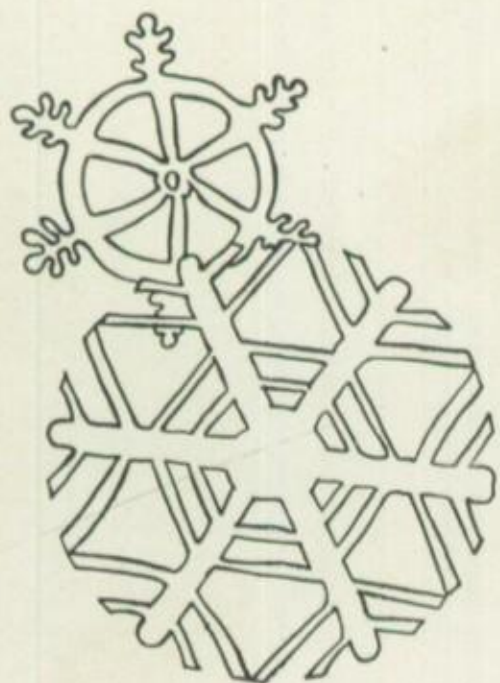

Esther and Harold are dancing the first dance after the Coronation.

Wanda Tweedy and Wayne Wright are enjoying this dance or so it seems.

Activities - Where do they start and where do they end? Club meetings, banquets, trips and conventions, showing films, working on the newspaper and annual add to the interest and excitement of school life.

On one of his visits with us, Mr. Ward is explaining the process of picture taking with Gloria, Lois, and Leon.

Counterclockwise: Miss MacPherson-sponsor, Russell White, Ann Riley, Donald Wheeler, Marsha Tomlin, Betty Tomlin, Nancy Johnson, Carroll Amiss, Gaynell Hunter, Wanda Tweedy, Sue Hill, Dot Hill, Joyce Lee.

At Work

Nancy, Betty, Joyce and Russell are busily arranging pictures, writing copies, and drawing up pages so we can meet the dead-line.

Our first staff meeting - Much work goes into the planning of our annual. Everyone is full of ideas and is enthusiastic. Sometimes our enthusiasm wanes when our days become crowded with basketball, parties, and other club activities. Somehow, we get back to our job and see it completed.

The annual staff tries to bring to you as complete a story of your school year as possible. Getting the right picture at the right time is sometimes hard, but with the co-operation of all, most activities are included.

May this be a reminder of the many happy experiences you have had this year during Fall, Winter, and Spring.

Library Club

This year the club strived to become more active than ever before.

The club carried out a highly successful summer library program. Many books were checked out and read.

More student assistants and projectionists were trained. These people are essential to the smooth operation of our library.

The club sponsored an assembly program during National Library Week.

During the year, over 300 new books were added to our library, including a new set of encyclopedias. It is always thrilling when a shipment of new books come in and we have the privilege of looking through them for the first time.

Miss Zirkle, librarian, and Ann Riley are looking over a few of the new books that have just been catalogued.

Joyce, one of our school's projectionist, is getting ready to show a film for Spanish Class.

Beta Club

The purpose of the Beta Club is to encourage leadership, honesty, and commendable character among high school students.

Our club got off to a good start this year with a brand new list of fine honorable objectives. We sent a basket of cheer to a needy family during Christmas Time. We gave Mr. Eversole, our principal, a flower arrangement for his desk, and kept it watered. Flowers were sent to any faculty member out of school sick.

We also made it our duty to see that a copy of the honor roll was prelisted on the bulletin board in the auditorium.

Four of our members and Mrs. Farmer attended the State Convention in Richmond in March, and had a grand time. Each member cooperated fully in carrying out these objectives under the capable leadership of Mrs. Farmer.

Every six weeks the Vox Scholae is published by the members of the Latin Club. This year for the first time it was entered in the state Clinic, sponsored by the School of Journalism of Richmond University, and received favorable comments and a high rating.

Vox Scholae in Latin means "the voice of the school". That is what we want our paper to be, the voice of Madison Heights High School.

The students look forward to each edition of the paper because it keeps them posted on all events and activities of the school.

Mrs. Utley and Mrs. Powell just before leaving for Washington.

The Spanish Club under the leadership of Mrs. Powell studies the customs and habits of the Spanish speaking people in all effort to create more friendly feelings towards them. A few members have "pen pals" in Mexico which adds interest. This fall the club went to Washington and had lunch in the El Mexico Restaurant and visited the Pan American Building.

Gloria and Judy are among the groups who were waiting to visit the White House.

Science Club

Mr. Gene Ramsey, who is a very enthusiastic science teacher, has worked hard this year trying to increase our knowledge of science and to help us understand the importance of science in our lives. We have had fun and excitement by experimenting with the making of hydrogen, carbon dioxide, and oxygen.

Mr. Ramsey is busy with an experiment while members of the Chemistry class look on.

F. M. Hunter and Dot Hill try their hand with an experiment. All that paraphernalia looks complicated to all but science students.

Varsity

OFFICERS OF VARSITY CLUB

President	Ronald Wheeler

Secretary	Dot Hill
Treasurer	Wanda Tweedy

Our Varsity Club is composed of members of the various teams and our cheerleaders.

Before a student can become a member, he has to have received a letter by participating in some phase of sports.

We have worked hard trying to create more school spirit and better sportsmanship among the student body and the teams.

In December we sponsored the Alumni and Faculty Game and also the Homecoming Game.

Leslie, Clay, and Jerry were initiated into the Varsity Club this year.

Cheerleaders

"Fight Team Fight"! - and the team, inspired by the cheerleaders, raced down the court.

At each game the cheering squad was on hand boosting the team and leading the student body in rousing cheers. Because of the fine school spirit shown at the pep rallies, the cheerleaders were able to arouse interest throughout the entire season.

Won - Lost records do not always justify the true accomplishments made by a team during a sports season. This statement is true of our Girl's Varsity Basketball Team for the 1960-'61 season. Although the record reads no wins, twelve defeats, it does not tell of the fighting "never-say-die" attitude of our girls, nor does it point out the improvement made by each player or the loss of several key players.

We began the season with only five girls with any previous experience in basketball and through unavoidable circumstances lost several of these players. However, the experience gained by the twelve members of this year's squad should be enough to turn our heads from the dismal record of this year to a brighter season to come. There is only one way we can go, that way is UP!

COMMENCEMENT

Perhaps you have been thinking of this occasion for some time. Graduation is only the beginning of a brighter future. We hope that it is a "commencement" of greater things to come.

In America we enjoy the world's highest standard of living. If we are to continue to enjoy these benefits, we must have better trained men and women. We need more scientists; more trained engineers; and better qualified people in all walks of life. It's your future — use it wisely.
